

Matthew 6:25, 33-34

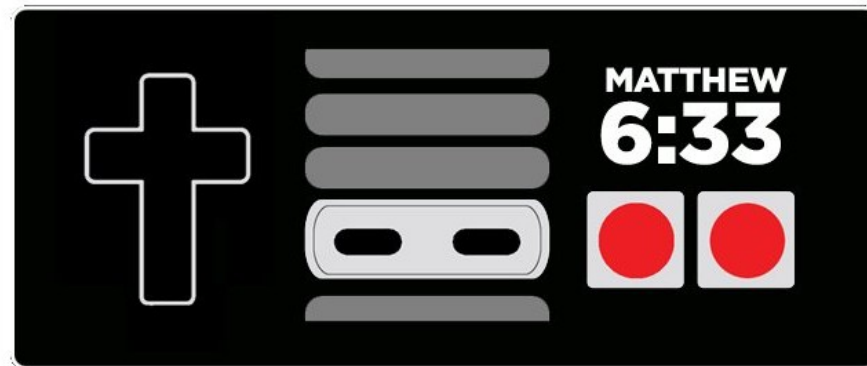

“Therefore I say to you, do not worry about your life, what you will eat or what you will drink; nor about your body, what you will put on. Is not life more than food and the body more than clothing? But seek first the kingdom of God and His righteousness, and all these things shall be added to you. Therefore do not worry about tomorrow, for tomorrow will worry about its own things. Sufficient for the day is its own trouble.”

Personally, I'm one of those people that feel like I have to be in control. And if there's something that needs to be done that no one else is taking care of, I'm on it. But then I usually end up getting overloaded and frustrated.

If only I wouldn't feel like I have to take care of everything.

I had to come to realize, that God is in control and He does not need my help! God had a plan for Victory Assembly of God and Impact

# GOD IS IN

# CONTROL

Student Ministries before I was ever here. And God could do it without my help... as a matter of fact, He doesn't need me at all. But I GET to be used by God, and it

truly is the greatest privilege... But I just have to remember, God is in control!

We need to learn to prioritize our lives. Christ tells us that we shouldn't even worry about what we're going to eat or wear... if He takes care of insignificant little flowers and birds, of course He is going to provide for us! Don't worry and stress over things. Give it to God and let Him be in control. Our main objective is to be seeking God and His will for our lives. If we will just focus on Him everything will

fall into place. Because when we focus on how big and wonderful our God is, we will realize how small our problems are to a God who can take care of anything!!!
